

Employability for Overseas National (EON)

Supporting overseas nationals into sustainable work

We offer **personalised support from an employment adviser** to help you fulfil your potential.

This includes:

 **CV preparation, cover letters**, assistance with applications and interview practice.

 **Specialist employment adviser** for graduates and professional careers, including high skills job search course and mentoring.

 **Assistance to restart a medical career**, including referrals for medical support worker and clinical attachment roles.

 Courses to prepare you for **IELTS** and **OET** exams.

 Courses to help you with living in the UK.

 Help with driving theory including an online self-study course.

Am I eligible?

You may be eligible if you are...

 **a resident in one of the following counties/districts in the East of England:**
